

Have you ever imagined windows can come in so many styles and colors? Here at Crystal, the hardest part is choosing the right style windows made in your favorite color. Crystal Series 200 vinyl windows can be painted with 10 optional two-tone custom colors:

- 1: Blue
- 2: Dark Brown
- 3: Beige
- 4: Dark Green
- 5: Dark Red
- 6: Black
- 7: Earthtone
- 8: Grey
- 9: Clay
- 10: Medium Brown

*Color for illustration purpose only. Actual color may vary slightly.

The **VERSATILE** Crystal Series 200 Fully Welded Vinyl Line is also available in a full collection of styles, sharing many similar features.

Crystal Series 200

Gold Series

Fully Welded Vinyl Windows for Replacement

Crystal Series 200 Gold Series Fully-Welded Vinyl Windows

AAMA 101-05 R40

Best Value in the Industry, Period.

A perfect balance of traditional design and quality is what makes the 200 Series the premier product in the industry. Traditional design appointments from the artistic beveled exterior to the shadow line sash face brings back the feeling of the traditional American home design.

3 1/4" Fusion-welded frame has a wall thickness of 0.072". Providing excellent structural integrity.

Ergonomic-design night latches combine ease-of-use with peace of mind.

High-profile tilt latches for easy operation when tilting sashes into the house for cleaning.

Cam-Type compression sash lock for airtight seal and maximum weather protection.

This "hospital sill" not only gives a uniform appearance from head to sill, but also helps in ease of installation and sheds water better.

The in-between glass grids for beauty and no maintenance. (optional feature. Many styles and patterns available.)

Window sash operation is made easy with durable constant-force balances.

Durable extruded half-screen comes standard.

Optional custom two-tone finish matches any facade (available in 10 exterior colors)

Heavy Multi-Chamber construction maximizes strength, durability and insulating performance.

7/8" Insulated glass for maximum energy savings

PPG Intercept® Warm-Edge Spacer optimizes thermal performance 365 days a year.

Available foam-filled option further enhances energy efficiency.

Dual-wall, full-length, extra-deep lift rail for easy operation.

5 year
Glass Breakage
Warranty
Available

Triple full length weather-stripping seals at both head and sill significantly minimizes air infiltration.
